DPPL-where dreams come true

ABOUT OUR COMPANY

- » Dwarkesh is a concept of growth through scientific approach, converting dreams into reality and creating jobs for jobless people. It was the year 1995 when we started our journey to perfection. We have taken up a challenge to manufacture good quality medicines at reasonable price to common man. We entered the manufacturing arena when big shots were already there, still our strength helped us to stand up to the occasion and today we are a running a Successful Company. We believe in the concept of mutual inter-dependence.

Our Vision is to become an advanced technology & research based company & to emerge out as an intellectually strong player in domestic & international market.

Our Mision is to provide best quality pharmaceutical products within the approach of every scetion of the society.

We framed an independent company first factory at Vatva & Odhav (The industrial hub of Ahmedabad) in an area of 1245 sq. meters, Second factory in area of 1000 sq. meters Third factory in an area of 500 sq. meters.

In addition to manufacturing medicines in our own Brands, we are also producing these for more than 2500 marketing companies of India & abroad in their brand.

About Directors

- » Mr. Rajesh Gupta (D. Pharmacist) is the sole person for establishing such a big unit. He is having a vast knowledge of 40 years in Field of Marketing and Manufacturing of pharma Products. To assist him is a group of Professionals, Technical people & skilled workers having positive mental attitude. He looks after production management.

His son Mr. Rajat Gupta { B.Sc.(Bio Chem), M.Sc.(Pharma Chem), MBA } with his wide technical knowledge is determined to take the company to new heights. He looks overall development & marketing strategies.

| » Proteins - 1000 Jars | » Oinment / Gels / Creams - 10000 Lami tubes | |

ABOUT OUR COMPANY

Quality standards

- » Our Quality Control department is well equipped with all latest instruments which takes care of all required Quality standards. Each raw material and finished batch is being tested 4 times to assure the standard to be maintained. Our motto is quality first and everything later. Apart from our own strict quality control we take services from Drug approved independent laboratories like Gujarat labs, Gitar labs, etc.

To ensure better quality we get our raw materials from the best providers like Aurobindo, Bajaj, Wockhart, Cadila, Susan, Doctor Reddy, Arti Drugs, Glenmark, Ranbaxy, Dinesh Chemicals, Pan Drugs etc.

We follow I.P., B. P., U. S. P., and J. P. guidelines.

Machineries and equipments

- » We have almost all the requisite Latest technology equipments like Fluid bed dryer, Tray dryer, Mass mixer, cone mixer, Shifter, Rotary tablet machines, Packing machines for Blister, Strip and Alu Alu packings, Coating pan for sugar coating, enteric coating and film coating, Automatic liquid filling machines, bottle washing, Automatic ointment filling machines, Planatory mixer, label printer, carton printer etc required by a quality Pharma manufacturing unit.
